

Year Group: 6

Term: Spring

Teacher: Mr Williams

Topic: Vikings

Visits and Visitors:

We are planning a 'pre-Merseas trip' activity day and awaiting confirmation from the centre.

Details will be confirmed later this term.

Art and Design:

In Art we will be looking at the work of Banksy. This work will become the inspiration for a giant art mural on the KS2 playground.

Design Technology:

In DT we will be designing, making and evaluating a Viking longboat.

Personal, Social, Health and Emotional:

We will be learning about friendships and relationships. We will explore how friendships can be challenging and how we can deal with these situations.

THRIVE:

Working together and teaching new skills to the class is our focus for THRIVE activities this term.

Spiritual, Moral, Social and Cultural:

We will be working with our local community and considering how we can support healthy lifestyles in our community.

Computing:

We will be exploring Social Media and how to use it responsibly. We will look at networks, internet providers and the power of search engines.

Peer and Collaborative Learning (Children):

Throughout the term we will be working with other classes to produce artwork for the KS2 playground.

Learning Together (Parents):

Parents will be invited in later on in the term for a SATs booster session. More details will follow nearer the time in the class weekly newsletter which comes home with home learning.

Pot Kiln Primary School

Maths:

In numeracy we will be using the White Rose maths scheme. Our units for the Spring Term will cover: geometry, decimals and percentages.

P.E.:

In PE we will be covering football; learning how to pass, defend and work as a team. PE will take place on Fridays.

Learning Outside the Classroom:

Learning outside the classroom will take place across the curriculum wherever possible.

English:

In literacy we will be following the Jane Considine scheme. Our first unit will focus on writing newspaper reports.

R.E.:

We will be learning about Hinduism through Brahman and Atman.'

History:

In History we will be exploring Vikings. Looking specifically at their way of life and their impact on Britain and Europe.

MFL:

French will be taught weekly. This term we will be looking at the themes of money and the things we like.

Science:

We will be investigating the topic electricity in Science. Partaking in practical experiments children will gain an in depth of understanding of electricity.

Geography:

Using our Viking topic we will be comparing European countries and looking at climates along with human and physical geography.

Music:

Year 6 will be learning about film music scores and how these are used to create atmosphere and heighten mood.
