

Headteacher's Message

Another great week here at school. I have seen some super writing from Year 6 this week – well done to all our Year 6 pupils for their hard work. The Year 3 pupils are really enjoying their swimming too. They are working very hard and making great progress which is wonderful.

This week we had the pleasure of hosting 6th form students from Thomas Gainsborough High School, who are hearing children read from Year 4 and Year 5 every week. We are extremely grateful to TGS and the students themselves for this act of kindness.

Mrs Lock, Mrs Mitchell and myself visited St Mary's Academy, Mildenhall this week to share good practice. It was great to see the same things being developed in another school, such as our writing, Ready, Respectful, Safe and Thrive.

Finally, we welcome any volunteers who would like to help out in school but you will need to complete a DBS check.

Safeguarding

Over the summer there was some media reporting about “sweets” laced with cannabis, amongst other things. The following is a resource you might find useful but please note it is from Surrey Safeguarding Partnership so 2 of the contact numbers may not be applicable:

Forest Schools Appeal

Do you have any wet weather or outdoor items your children have outgrown? Mrs Gray is looking for some spare kit for Forest Schools and would be grateful for any unwanted wellie boots, rain coats and so on that you can spare.

In addition the school has now registered with the “It's Good To Grow” project at Morrisons supermarket so if you or your family shop at Morrisons and collect the Good to Grow vouchers we would love to receive them!

Daisy, Pot Kiln's School Dog

As you may know, we now have an official School Dog.

Daisy is an 8 year old beagle who belongs to Miss Thomas, School Secretary.

Daisy helped out by hearing Tobias from Rashford read about Robin Hood
