

Headteacher's Message

The children and staff have very much enjoyed having coffee/tea events in classrooms again this week and last week too. Thank you so much for so many of you attending and supporting the children. I know we have a few more to go next week – so please don't forget them.

End of term is next Friday 8 April 2022 and we start term on Monday 25 April 2022. Please make every effort to be here at the start of term as we don't want the children to miss a minute of schooling!

We are very excited that some girls will be mascots this Sunday at AFC Sudbury's women's game this Sunday and for another game in the future. We are very proud of you girls and again are thankful to your parents and families for supporting you to enjoy this great opportunity. We are also thankful to Darren Scoulding who is head of the Women's football at AFC Sudbury for giving Pot Kiln the offer to do this!

Safeguarding

We are increasingly finding that issues around online safety and inappropriate use of technology amongst Pot Kiln pupils is increasing. It is alarming and concerning and research shows this can ultimately lead to far greater child protection issues. Whilst we teach your children about online safety and appropriate use in school, Internet Matters have a huge range of advice and guidance for parents or carers which includes simple guides to set up devices including tablets, phones, gaming, devices and much more to help you protect your children from home. A good starting page is www.internetmatters.org/resources/esafety-checklist-getting-your-kids-devices-set-up-safely/
