

Headteacher's Message

Another week of fabulous work here at Pot Kiln! On Monday, TGS young leaders came and worked with some of our Year 6 pupils using our MUGA. The young leaders supported our pupils in basketball. On Wednesday a group of Year 6 girls enjoyed a football festival at AFC Sudbury. The girls worked with other primary schools and enjoyed top coaching from Darren and some of the AFC Sudbury's girls' academy players. A great time was had by all!

On Monday some governors and I took a look at books from across the school in all subjects. The governors were impressed by the standard of work and the presentation of the work. Lastly, we are very mindful that the entrance for vehicles is also an entrance for pupils and their families, both in the morning and the afternoon. We do not want to have any accidents where pupils or family members are hurt, so please do not bring your car on site in the morning and afternoon for safety reasons.

St Giles Trust SOS + Gangs and County Lines Webinar

This Gangs and County Lines Parents' session consists of speakers utilising their lived experience within the criminal justice system to unpack and explore the realities and consequences of county lines drug smuggling, gang involvement, criminal exploitation and serious youth violence. Perspectives from previous perpetrators and runners/transporters, combined with relevant case studies, aid audiences in gaining an authentic and credible understanding of this complex issue. The session will allow parents to identify signs and triggers that a young person might be involved in a county line and know how to respond.

Thrive Activities

At bedtime, share something that made you happy during the day. Parents - role model this for your children.

Pop on your wellies and enjoy jumping and squelching around. Enjoy it now - warmer, drier days will soon be here.

Draw a bright spring picture and send to your local care home to cheer up the staff and the residents.
