

Headteacher's Message

We are delighted that Zoe Riceman has joined the Governing body as the staff governor. BUT we would be thrilled even more if any parents, carers or guardians would be interested in joining our governing body. We are very keen that our governing body gives a voice to our families. Don't be shy! Do come and chat with myself or Mrs Lock about what it means to be a governor – have your say! We are sending out the Vision Statement on paper today and extending the deadline – please send us your comments back on the Vision Statement or via email -laura.jestico@potkiln.net We have analysed the attendance this week and so some parents, carers and guardians will be offered some additional support to enable their children's attendance to become more regular. If your child has a medical condition, please do not be worried as we will work with you to support your child's learning. We all want the very best for our children.

Safeguarding

Dangerous Toys

A recent report commissioned by the British Toy and Hobby Association (BTHA) found many of the toys tested could choke, strangle, burn, poison and electrocute children. Out of the 255 toys that were randomly selected, inspected and tested, 88% were illegal and 48% were unsafe for a child to play with.

The toys tested were bought from a range of online sellers. Currently, there is no legal requirement for online marketplaces to check the safety of products that other sellers are listing on their site. The report itself includes a list of toys that were illegal or unsafe. You can find the report at <https://toysafety.co.uk>
