

## Headteacher's Message

What a wonderful end to our week – a fabulous whole school assembly celebrating the success of our pupils. Well done to our pupils of the week – their photographs are on display in the entrance hall for the coming week. Each child has created a design to show the best of themselves around their photographs to make it more personalised.

Four children had hot chocolate with me this afternoon as a reward for their over and above superb behaviours and positive attitudes during this week. They received a certificate and badge which they keep.

Next week we are focusing on looking at Maths in our school. If you have any questions or queries or comments about Maths in our school, please email me on [laura.jestico@potkiln.net](mailto:laura.jestico@potkiln.net)

Thankyou to all of you who attended our coffee/tea events this week. They have been a pleasure to be part of and to welcome you back into school.

Our coffee/tea family events for each class have been really popular!

Music lessons in Y4 this week – cornets are go!

Hot chocolate with Mrs Jestico today:

## Safeguarding

Please visit <https://www.net-aware.org.uk/networks/tiktok/> to see how to keep your children safe when they are using tik tok.

[TikTok: A guide for parents - Net Aware](#)

TikTok's Youth Portal has been designed to give young people a place to learn about how to stay safe online, as well as information on TikTok's safety tools and controls. The platform also has a Guardian's Guide for parents and carers that gives you an overview of all the different safety tools and settings you can use to help keep your child safe.
