

Headteacher's Message

This morning Mr Williams and I carried out a thorough review of pupils' Maths books and we are very impressed with the wonderful work on show. In addition this week 4 classes have been out on fantastic educational trips. Parks and Anning classes visited Colchester Castle and Thunberg and Sheeran went to the Anglo Saxon village at West Stow. Staff at West Stow commented on how well behaved our Pot Kiln students were, and what intelligent questions they asked – thank you to everyone for being such wonderful ambassadors for the school.

Sheldrick, Johnson, Potter and Rashford classes continue to rehearse their Nativity play. We hope this will be performed indoors but, should Covid rates increase, it will have to be performed outside. If this is the case children will not be wearing their Nativity costumes as they would not be warm enough.

Finally, please may I remind parents that they should not be parking in the school driveway or staff car park at any time of the day. These areas need to be accessible for emergency vehicles and, at present, a number of children are also using the driveway to access the school and we must keep them safe. Thank you for helping with this.

Book Advent Calendar Idea

Create an advent calendar out of books and start a family tradition!

It's so easy to do, cheap if you scour the charity shops and helps your child have a special countdown to Christmas as you snuggle down together to read a story each night.

This need not be expensive. You could maybe take a look in our school Book Swap boxes at the front of the school or rummage in the charity shops for cheap good reads. All you need next is some wrapping paper and to number the books 1-24 and you are ready to go on the 1st December.
