

Headteacher's Message

Here at Pot Kiln Primary School we make sure that Covid never gets in the way of fantastic learning opportunities, amazing work, positive connections and lots of fun!

This week we continued to enjoy interactive music lessons, life saving swimming sessions and some extraordinary art and craft work in Sheeran class (see pictures). In addition the children have been working hard on their core subjects of Maths, English and Science. Well done Shackleton for topping the TT Rockstars League whilst so many were off with Covid. This just goes to show that learning can continue at home even when pupils cannot be with us in school.

Thank you to our children, families and staff for working so well together whilst we have had to go back to bubbles. It is never easy but here at Pot Kiln we are always ready to face such challenges; respect the contributions of all; and always endeavor to keep ourselves and one another safe.
