

## Headteacher's Message

Another lovely week here at Pot Kiln. We have been delighted with the quality of teaching and learning we have seen in Maths this week. The children are growing in confidence day by day in their Maths and we have begun to roll out some exciting computer programmes to complement our Maths teaching – Times Tables Rockstars for children in Years 3-6 and Numbots for all of our younger children. Watch out for league tables in Times Tables Rockstars coming soon!!

We have awarded our first Attendance awards this week. The best attending classes were Rashford, Attenborough and Thunberg! Well done. We also awarded pupils with Amazing Attendance certificates today – for those who are really improving their attendance, those who are being punctual to school and those who have attended well. This will be on a 3 week rolling programme. Well done all those pupils who received certificates today.

## Safeguarding

Online challenges and scares are becoming more frequent. It's important for parents and professionals to know what to do when they arise in order to de-escalate them.

Watch this new video from UK Safer Internet Centre (UKSIC) to find out
