

Headteacher's Message

It is difficult to believe that our Year 6 pupils are already preparing themselves to transition to senior school. This week we welcomed staff from Thomas Gainsborough School who were here to meet with students and their families for discussions about next year. In addition individuals from Year 6 are coming in for Wel-being breakfasts to help their preparation. We wish everybody the best of luck with SATs and Year 7 in September.

Parks and Attenborough classes took advantage of the gorgeous weather to carry out some physical geography experiments outside. The pictures on the right show how they explored the concepts of water flowing in rivers, picking up sediment and the routes and speed the water took. Well done Year 3 for some really inspiring work.

Spring term is going so quickly it seems amazing that we are nearly in April. We hope you all have a wonderful weekend celebrating Mothering Sunday. Don't forget about the clocks changing!
