

Headteacher's Message

Well we have the pleasure of seeing some incredible work from our pupils again this week. The History homework from Shackleton pupils was amazing. Thank you for your support with this. We have also heard some wonderful music lessons this week – Year 3 pupils are singing (in their bubbles) The Skye Boat song brilliantly and Owens Class have learnt Lean on Me beautifully. Year 5 are using percussion instruments to further their musical knowledge and Year 4 have resumed their cornet lessons this week.

Swimming lessons on Mondays continue to be real highlight for Shackleton and Sheeran Classes which is great. We have also seen the MUGA being used in PE lessons and lunchtimes where pupils are enjoying their PE and their playtimes. Hot chocolate went on the road this week as we can't mix class bubbles and the pupils who came to show me excellent History homework had Hot Chocolate in their classroom! Well done!

Is Your Child Ready for Social Media?

The ThinkUKnow team at CEOP have written a great new blog post to give advice and guidance to parents regarding social media. It's a nice, simple, quick read going into the risks, considerations for whether the child is ready, minimum age requirements and more.
