

Headteacher's Message

Our Pot Kiln Snowpupil made of tyres has been spotted by some of our families – well done the Weirs who posted finding him or her on Twitter. Thanks to Mrs Gray and the team for preparing the snowpupil!

Next week is Nativity week! Please do come prepared with your double vaccination passes/cards and/or your NHS reported text or email of the LFT negative tests. Sadly we won't be admitting audience members who just bring an LFT test with them. Also be prepared for the cool temperature in the main hall. Please layer up your children in Reception, Year 1 and Nursery who are performing as well as yourselves. We are all excited at taking many of our pupils to the Colchester Mercury theatre today to see the pantomime Aladdin! Do check out Twitter feed @PotKilnPrimary for news about travel times in the afternoon.

Safeguarding

For Parents of Early Years Children

Goldilocks is quite an old book but I find that not many are aware of it. It's a twist on the original fairy tale with a social media slant to help educate children about the potential consequences of being unkind, getting carried away with selfies and sharing images.

You can download a PDF version of the book and an activity sheet here – it is great for discussion:

<https://www.vodafone.co.uk/mobile/digital-parenting/goldilocks>

Johnson – Phoenix
Potter – Joel
Rashford – Ellie-May
Anning – Holly
Parks – Buglem
Attenborough – Mason
Shackleton – Jacob
Thunberg – Rowena
Sheeran – Millie
Owens – Reece
Bowie – Elke

Well done all!

Years 1 to 6 pupils will be presented their certificates on stage at the theatre in front of our school only. Whooooo!

Twitter feed for our school:

Please follow us on @PotKilnPrimary for all the news from our school.

Our website:

Currently our website is not working. We have a new company designing and working on a new website coming very soon!

Getting into the school:

Please ring the school office on 01787 372107 for getting into school. If we haven't come to the gate in 5 minutes from your call, please ring again.

Bikeability

This week Year 6 have enjoyed taking part in Bikeability Level 2 cycle training. The training develops skills for cycling on roads with simple junctions and moderate traffic. It includes bike checks and covers safe and responsible cycling.

Attendance: This week = 88.8%

Attendance Trophies: Johnson 95.4% Parks 97.4% Owens 94.5%
