

## Headteacher's Message

We are returning to normal hours next week- everyone here at 08:30 and everyone to be picked up at 3:00pm please as Covid numbers are very much decreased currently. We are hoping that class bubbles will not be needed after half term. BBC Radio Suffolk advertised an appeal from a group of knitters and crocheters, called the Ipswich Blanketeers, for homemade blankets for end of life care patients in Ipswich or Colchester Hospital. If you know anyone who can crochet and could crochet us 6 inch granny squares, this will help the pupils and staff create at least one blanket. Miss Bird, our Family Liaison Officer would love to hear from you if you're interested in having an adults' crochet group based at school. Please email [Emma.Bird@potkiln.net](mailto:Emma.Bird@potkiln.net) if you are interested in learning or being part of the adult crochet group. We will hopefully get this running after half term, Covid willing! Any community members will be welcome to attend this adults' group. We will confirm days and times after we have had responses from you and our community.

**TT Rockstars – Alfie Byam still leads on .76 seconds; Owens are this weeks winner's with 96%. Fabulous!**

### Safeguarding

Tuesday of next week is Safer Internet Day. Advice for parents and families can be found here <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2022/advice-for-parents-and-carers>

Having conversations without judgement. Whether by playing games, watching videos, or doing things your child enjoys, spending time together online is a great way to start conversations about the online world and how they're finding being a part of it. **Well done all!**

Hot Chocolate has gone on the road again this week to a class bubble. This week I visited Sheeran Class as there was so much great work I have been shown throughout the week ranging from art to Maths.

Well done Beau, Millie, Charlie, Lily and Maisie!

Science in Year 5:

This week Year 5 pupils have begun a longer term investigation focusing on evaporation.

Fabulous homework from Shackleton this week:

Well done Poppy – this is awesome!
