

## Headteacher's Message

What a wonderful start to the second half of term. Amelia has raised over £300 by having her hair cut off for charity! World Book Day yesterday was magical! We held an outdoor assembly where each class did their own little catwalk. Huge thanks to you as families for supporting your children in this way.

Year 5 pupils held their own Science Fair yesterday and shared practical activities with Year 4 pupils. The joy of learning was evident in the hall. We had pulleys, slopes at different degrees and even the challenge of making plasticine float!

Finally, we all have been very humbled by your generosity at giving donations for the people of Ukraine. I have a very full car load of donations which I will take to Castle Hill Community Centre Ipswich at the weekend. I will continue to take donations in the coming weeks, so please if you are able, keep sending in donations from the list.
