

Headteacher's Message

Thank you for all of you who have attended parents/carers/guardians events this week. The teachers have been really pleased to have some great conversations with you about your child/children's learning. You have been given print outs about your child's Reading and Maths progress and attainment. If you have been unable to attend but want the print outs, please contact your teachers on Tapestry or Seesaw. These printouts are only available for children in Year 1 upwards.

We have had a Naughty Bus visit our Reception/Year 1 classes and this has rippled out to the whole school - we have all enjoyed the Naughty Bus appearing all over the school. What a joyful learning experience for all.

If your child is absent, the school has the choice of authorising the absence or not. We cannot authorise "not well" messages left on the answerphone or ones that simply say "not in."

Safeguarding

Device Rules and Boundaries

We all like the idea of sitting down with our children and agreeing rules and boundaries in relation to new or current devices, set expectations of behaviour and much more. To help with this FOSI (The Family Online Safety Institute) have put together some really simple but wonderful agreement sheets for parents which you can download for free and send out to your parents https://global-uploads.webflow.com/5f4dd3623430990e705ccbba/6201584c80c57d8345761120_FOSI-Device%20Safety%20Cards-2022%20full%20set.pdf

Thrive - Fitness Challenge

Devise an exercise routine using funky moves, can the family do it together?

Good things

Draw a jar and fill it with all the things you appreciate in your lives.
