

Headteacher's Message

We have sent a letter out from Suffolk County Council yesterday about rising Covid rates in the county. We have also sent you a flow chart of what to do if you have a confirmed PCR positive test in your household. Please do follow the letter and the new flowchart.

This week at Pot Kiln, so many children have achieved great things in their learning and many have looked after each other in such caring ways. We have received some amazing photographs from the school photographer of the children playing positively at playtime. We had a visit from James Carlidge MP today which was lovely. He was interviewed by Sheeran Class and was impressed by their questions and their aspirations for jobs they want to do later in life.

We are sending you a Vision Statement which has been written by staff, governors and also the School Parliament. Please send any amendments you would like added to laura.jestico@potkiln.net by next Friday 15th October.

Safeguarding

School photos have just arrived here at Pot Kiln. Please think before you place copies of these photos on social media as they will highlight where your child goes to school. This information could be used in a negative way by other online users. We are not being killjoys about these beautiful photographs, we just want everyone to remain safe.

Mrs Lock
Deputy Headteacher

Sheldrick – Ebony
Johnson – Calum
Potter – Elsie
Rashford – Frankie
Anning – James
Parks – Jack
Attenborough – Tate
Shackleton – Rose
