

## Headteacher's Message

What a week! We have had Ofsted here this week. Thank you to all of you who have filled in the Parentview surveys and thank you for all your support during the two days' inspection. We expect the inspection report to be published to you all around 18 May 2022.

Some Year 5 and 6 pupils enjoyed a football session after school yesterday with Mr Ambrose. Thank you for supporting the coffee events this week. We are delighted with how many of you have been able to attend. Shackleton's Coffee event will be held on Friday 29 April 1:15pm.

Finally thank you for all the granny squares which you have crocheted or knitted or helped our children to crochet or knit. Below is a picture of our first blanket!

Have a wonderful Easter holiday, stay safe and we will see you back on Monday 25 April and then Nursery children on Wednesday 27 April.

## Safeguarding

### What Are Anonymous and Honesty Apps?

At their core, these are apps which allow users to interact with each other without revealing who the users are. They are used for a variety of reasons, such as being able to ask questions that may be embarrassing but equally they can be used to cause harm.

Internet Matters have put together a really useful page which answers many questions around anonymous and honesty apps. You can find the page
