

**Year Group: 6**

**Term: Summer**

**Teacher: Mr Ambrose**

**Topic: Local History**

### **Visits and Visitors:**

Mersea residential trip  
Goblin car racing day – Norfolk  
Weekly swimming at the Kingfisher

### **Art and Design:**

This term we will be completing our giant art mural on the KS2 playground wall.

### **Design Technology:**

In DT we will be designing and making sets and props for our Year 6 production and creating the bodywork for the Goblin kit cars.

### **Personal, Social, Health and Emotional:**

In line with the National Curriculum, pupils in Year 6 will be taught the Relationship and Sex Education unit of work; Growing and Changing; Reproduction, Birth and puberty.

### **THRIVE:**

Working together and teaching new skills to the class is our focus for THRIVE activities this term.

### **Spiritual, Moral, Social and Cultural:**

We will be working with our local community and considering how we can support healthy lifestyles in our community.

### **Computing:**

We will be focusing on producing presentations using word and PowerPoint.

### **Peer and Collaborative Learning (Children):**

Throughout the term, on Friday afternoons, we will be reading to Potter Class in reception.

### **Learning Together (Parents):**

Parents will be invited to join us to take part in a healthy eating workshop.

**Pot Kiln Primary School**

## Maths:

In numeracy we will be using the White Rose maths scheme. Our units for the Summer Term will cover: geometry, statistics and angles.

## P.E.:

In PE we will be covering Netball, basketball, athletics. PE will take place on Fridays. We also have swimming every Monday.

## Learning Outside the Classroom:

Learning outside the classroom will take place on Thursday afternoons.

## English:

In literacy we will be following the Jane Considine scheme. Our first unit will focus on spelling, punctuation and grammar.

## R.E.:

We will be learning about Genesis and the creation story. We will debate this story alongside our science topic of evolution.

## MFL:

In French we will be making French games that can use the vocabulary we have learnt.

## History:

In History we are covering Simon of Sudbury. We will look at the events of the peasants' revolt and the impact on our local area.

## Music:

Year 6 will be performing songs for our end of year production.

## Science:

We will study Humans and other animals. This will be linked our local environment studies and outdoor learning sessions.

Evolution and inheritance will also be covered and linked to RE.

## Geography:

Local geography. We will use the local area to study the landscape, rivers and changes over time.
