

Headteacher's Message

We raised for Red Nose Day last week – thank you very much indeed for all your support in this.

Sadly, we have cases of Strep A and Scarlet Fever in the school as well as a sickness bug going round too. If your child has sickness or diarrhoea they cannot be in school for 48 hours from the last time they were sick or had a loose poo. Please do not send your children back in before the 48 hours, as this only spreads the germs to other children and their families. Some of our children have health conditions which means they could be very ill if they catch a simple sickness bug. The illnesses have affected our staffing too this week.

We had a brilliant time with the Community Wardens on Thursday as we took part in the Community Litter Pick – thank you to Bradley Smith for organising this for us.

Safeguarding

Please do report any concerns about children in the community to 0800 800 4005 or during term time contact the school if the children are with us at Pot Kiln on 01787 372107 or email me on laura.jestico@potkiln.net

Make a Family Board Game

Create a board game to play together. Think about what rules everyone needs to know for the game. Talk about why we need rules in our lives and how they help everybody.
