

Headteacher's Message

Thankyou so much for your use of the new School Money new programme for the first week back. Your response has been fabulous and we are very grateful to the support you have shown. Please do keep coming in or phoning our admin team about any niggles you have with School Money. We are very happy to help you as we recognise change is tricky for all of us.

Thankyou for your continued support throughout the industrial action of Unison and its staff members, and the NEU and its members. Please do come and see me if you have any concerns about issues like crossing the picket line on Monday.

Celebration Assemblies return next Friday. Class coffee events will take place in the week beginning the 15th May – more details next week, and Parent and Toddler returns next week on Thursday at the usual time.

Safeguarding

Please do ensure your child sleeps in a room separate to their mobile phone, if they have one. This ensures they are not staying up too late and keeps them safe from harm on the internet late at night.

Thrive fun to try at home with your child/children

Stars and Wishes

Each share 3 "Stars" –

Things you can do well.

Then share a "Wish" –

Something you need to work on (a goal). How could you support each other to achieve the wish?

There was no Celebration Assembly this week.

Menu

Week commencing 24 April is Summer Menu Week 2

Coronation Celebration on Friday 5th May – we will have a picnic lunch and Year 4 will be re-enacting the coronation, Pot Kiln style! Please come to school in red, white and blue that day and not in school uniform.

Congratulations to Elsie in Thunberg for supporting Sudbury Hockey Club in their fundraising for Alzheimer charities. We are so proud of you!

Well done to **Anning Class** this week who have begun to learn the recorder. They sounded amazing on Thursday this week.

More fab clay work in Sheeran Class.
