

Headteacher's Message

Welcome back to a new year at school. The children have all settled well into school. Coffee events will be held in the next 2 weeks so you can meet your new class team. Today you will receive a topic web and class newsletter. They will also be added to Tapestry for children in Nursery, Reception and Year 1 and be added to Seesaw for children in Year 2-6.

We were all saddened to learn of Her Majesty The Queen's death yesterday. We have had an assembly about her today showing her life in pictures from the BBC. As a school, we send our condolences to the royal family for the loss of their mother, grandmother and great grand-mother.

Owing to Goodies still selling coloured t-shirts for PE during the summer, these will be allowed to be used until the children grow out of them. We would like as many children as possible in white t-shirts and black shorts for PE this year. From September 2023, no coloured shirts will be allowed for PE.

Safeguarding

If you have any concerns about the safety and welfare of any children, please telephone:

0808 800 4005

If a child is in immediate danger dial 999

Swimming:

On Monday 12th September Thunberg and Attenborough Classes begin their swimming lessons at the Kingfisher Pool. The classes travel by coach to and from the pool. Please ensure you fill the permission slip for this. It is very important that we have as many children as possible safe and confident in the water.

Every child in Year 3, 4, 5 and 6 will have an opportunity to swim this year.

Clubs letter:

Thankyou for emailing Sharon, hemson@potkiln.net about your choice of clubs. She has started ringing you all to confirm places for next week. Gymnastics is very popular, so apologies if your child didn't get in this time.

Some lovely work from Reception and Year pupils in Johnson Class:

Morning routines:

All children to enter the classrooms without lining up. Teachers and class based staff will be in the classrooms ready for the children and ready for the learning to begin.

In case of an urgent message for a class teacher, please come round to the front office and give office staff the message, or speak to an adult on duty.

Please ensure you child/children bring coat/s to school every day.

Afternoon routines:

Teachers or class-based staff will bring the class out to the playground/outside space and adults can collect them from there. Only pupils in Years 5 and 6 may walk home without an adult. Feel free to chat with teachers after school about any queries or concerns.
